Sandy,

This is a routine meeting sponsored by the PRP led Community Liaison Panel (similar to CAG) and we are only participants. Recommend we do not sent up a hot topic on this event.

Best regards,

Andrew

Andrew can your office develop this hot topic or do you want us to develop?

Importance: High

I noticed in the OCPI Hot topic re Jody's trip to MT that there will be a CFAC public meeting. I need a hot issue for the weekly report to HQ about this - they request topics on upcoming public events.

Thanks,

Suzanne
